Real needs.
Real life.

A gift from the Compassion gift guide allows children to dream and plan for the future by providing for specific needs identified by our local church partners. They allow children to have the security, education and opportunities they need to grow up and become all God created them to be.

Support for Small Business Owners

The gift of Support for Small-Business Owners has been given in your honour to caregivers of Compassion-assisted children. Your gift is providing re-stock capital to help a small business recover from COVID-19's devastating blow, as well as training to ensure these businesses are set up for success well into the future.
