Chickens

The gift of a chicken has been given in your honour to a family living in poverty. Your gift is helping families combat malnutrition with eggs as a regular source of protein and income, and provides small business training and support to small-scale farmers recovering from the COVID-19 crisis.

Real needs.
Real life.

A gift from the Compassion gift guide allows children to dream and plan for the future by providing for specific needs identified by our local church partners. They allow children to have the security, education and opportunities they need to grow up and become all God created them to be.
