

## *Real needs. Real life.*

A gift from the Compassion gift guide allows children to dream and plan for the future by providing for specific needs identified by our local church partners. They allow children to have the security, education and opportunities they need to grow up and become all God created them to be.

## **Computers**

The gift of Computers has been given in your honour to children living in poverty. Your gift is providing children with access to computers at their Compassion centre, which is especially important with the prevalence of remote learning during the COVID-19 pandemic.
