Redeeming children from poverty

Compassion

A gift has been given  
in your honour!

## Lifesaving Medical Intervention

The gift of **Lifesaving Medical Intervention** has been given in your honour to children living in poverty who are experiencing major medical conditions and are in need of urgent treatment. This gift is given in memory of 10-year-old John from Kenya, who suffered from a rare renal disease that caused a loss of kidney function.\*

*\*This gift was originally targeted to provide a lifesaving kidney transplant for 10-year-old John from Kenya. Tragically, he passed away due to related complications before he could receive his surgery. Please join us in lifting up John's family and community in this time of loss.*

Redeeming children from poverty  
in Jesus' name  
Compassion

A gift from the Compassion gift guide allows children to dream and plan for the future by providing for specific needs identified by our local church partners. They allow children to have the security, education and opportunities they need to grow up and become all God created them to be.

*Real needs.  
Real life.*
