Water Filters

The gift of a Water Filter has been given in your honour to a family in need. Your gift is giving children access to clean water at home and protecting them from deadly waterborne diseases.

Real needs.
Real life.

A gift from the Compassion gift guide allows children to dream and plan for the future by providing for specific needs identified by our local church partners. They allow children to have the security, education and opportunities they need to grow up and become all God created them to be.
