Gifts of Compassion

EVERY GOOD GIFT

Your good gifts matter.

A gift from the Compassion gift guide meets a real need of children and families living in poverty, identified by our local church partners. As critical needs increase around the world, these gifts allow children and families to have the resources, security, health, skills and opportunities they need to overcome poverty and thrive now and into the future.

Compassion
Releasing children from poverty in Jesus' name

A gift has been given in your honour!

HOME RECONSTRUCTION

The gift of **Home Reconstruction** has been given in your honour to families in Guatemala whose homes were damaged during 2020's devastating Hurricane Eta. People living in poverty are the most vulnerable to the harrowing effects of environmental disasters. This gift ensures families can feel safe and secure in their homes.
